RESPONSE TO NOTICE OF NON-COMPLIANT

AMENDMENT (37 CFR 1.121)

Honorable Commissioner of Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicant's representative received a *Notice of Non-Compliant Amendment (37 CFR 1.121)* from the U.S. Patent Office mailed December 3, 2004. The *Notice* asserts that the *Response* filed on June 28, 2004 is non-compliant in that it does not include a complete listing of all of the claims. It is noted that the *Response* filed June 28, 2004 did not include any claim amendments and thus a complete listing of the claims is not required. The undersigned discussed this matter with LIE Y. Robinson on two occasions and understood that the subject *Notice* would be withdrawn and further action on applicant's *Response* would be forthcoming. To date, no further communication has been received and applicant awaits a further response.

Should any further submission on applicant's part be required in order to effect consideration of the *Response* filed June 28, 2004, it is requested that the undersigned be contacted.

Respectfully submitted,
